

Prayer

Senegal | Please pray for **Keith and Melanie**, whose home experienced significant flooding. Their car and main floor are under five feet of water, but praise God that everyone is safe. As they stay with friends and wait for the water to recede, pray for strength, provision, and God's grace throughout the cleanup. Also, pray that this situation will open opportunities to build deeper relationships with their neighbours and share Christ's love.

Children of International Workers | Pray for children who are adjusting to a new culture and language. Pray that the Lord would enable them to learn their new language with ease and that

they would feel confident in communicating with others even while they are learning. Pray that they will have a sense of belonging even when everything seems foreign.

Pray for **the Apostolic Church and their board**.

Please continue to pray for those in our congregation that are unwell or have family/friends that are unwell. We think of - **Pastor Bob & Shirley & Ken, Calvin and Liz and family, Pastor Chris' Mom - Heather, Les and Robert**.

Please also to continue to pray for **Rhythm** as he waits on his application for permanent residence.
