

Prayer

Least-Reached People Group

Focus: Yemeni | The Yemeni diaspora has settled in Saudi Arabia, the United Kingdom, the United States, Egypt, Djibouti, Somalia, the United Arab Emirates, and other Gulf countries. Away from their homeland and local communities, it is easier for Yemenis to become followers of Christ. There is a growing number of seekers, yet fewer than 1% of Yemenis are believers. There are very few intentional workers among them. Pray for the growth of the few Yemeni believers, that they will persevere in following Jesus and have the strength to bear witness to Him.

Thailand | Pray with the **Woven team** as they take several teams overseas this fall to visit the Woven Project. Pray for the

project team as they host many visitors, and pray for Alliance churches as they send representatives to come and taste and see what the Lord is doing in anti-human trafficking efforts in Southeast Asia!

Children of International Workers | Pray for good educational opportunities to be available and for children to have caring and supportive teachers. Pray for God to provide for children with special educational needs.

Pray for the **Messiah Lutheran Church and Pastor Sarah Mowat.**

Please continue to pray for: **Pam, Pastor Bob, Ken & Shirley, Pastor Chris' Mom - Heather, Calvin and Liz and family, Les, Robert, Rhythm.**

Is not this the kind of fasting I have chosen: to loose the chains of injustice and untie the cords of the yoke, to set the oppressed free and break every yoke?
